RE: Unauthorized deposition of fill material into wetlands and waters of the United States (WOUS), unauthorized dredge and unauthorized structures in navigable WOUS, and unauthorized redistribution of fill material in association with mechanized land clearing, all in Houma, Terrebonne Parish, Louisiana

Dear Ms. Mullins:

This is a Freedom of Information Act Request related to five (5) tracts of property as described in the attached property site descriptions (hereinafter the "Cenac Sites"). The following documents are requested:

1. Provide copies of Wetland Delineations for each of the herein described Cenac Sites.
2. Provide copies of the Jurisdictional Determinations for each of the herein described Cenac Sites.
3. Provide copies of site photographs for each of the herein described Cenac Sites.
4. Provide copies of wetland impact descriptions for each of the herein described Cenac Sites.
5. Provide copies of emails related to each site as described in the Cenac Sites.
6. Provide any and all documentation in the EPA and / or the US Army Corps of Engineers possession which in any way relate to the herein described Cenac Sites.

Your prompt attention to this Freedom of Information Act Request would be greatly appreciated. Please submit to us a cost estimate for the reproduction cost associated with our request. Should you have any question related to this request please contact me at 985-872-2413 or by e-mail (andre@cenac.com) with a copy to hthibodaux@gmail.com.

Regards,

Andre C. Broussard, Jr.
General Counsel

Enclosure(s)

cc: Mr. H.J. Thibodaux, Env. Consultants

Cenac Sites

1. Cenac Main Yard Site; Wetlands and other waters filled and structures placed in and on the right descending bank of the Gulf Intracoastal Waterway (GIWW) at or about RM 55.5 West of the Harvey Lock ; this property is located at and on 742 Hwy 182, in Sections 15,16,& 17, Township 17 South, Range 17 East, Houma, Terrebonne Parish, Louisiana 70364.
2. Houma Navigation Canal, right descending bank; wetlands filled and structures placed in and on the Houma Navigation Canal; this property is located east of 60 Hwy 315 and north of 141 Hwy 315, in Sections 47,48 &104, Township 17 South, Range 17 East, Houma, Terrebonne Parish, Louisiana 70363
